

Travers and Marston Win at Englewood

CHAMPIONS WIN ON ENGLEWOOD LINKS

Travers and Marston Beat Kirkby and Topping by 2 Up and 1 to Play.

LONG PUTT ENDS MATCH

ENGLEWOOD, N. J., May 28.—A long putt that ran unerringly across the seventeenth green of the Englewood Country Club this afternoon and dropped out of sight into the cup sealed the victory of Jerome D. Travers and Max R. Marston over Ward Kirkby and Henry J. Topping. It was the national open amateur's fifth hole. Schenectady had sold the lengthy putt which won the thirty-six hole match by 2 up and 1 to play, and so interesting a struggle had it been that the host of golfers in the gallery were sorry that it was over.

Even though the foursome made a shot which finally decided the issue, it was by no means the main reliance of his side. Both morning and afternoon Marston played better golf, and it was a case of Travers helping him out now and then, generally when he most needed help. Kirkby won the best ball on his course, but for the better work for the foursome, although Topping contributed to the best ball card once in a while.

When the match began this morning Kirkby set the pace, and without any help from Topping reached the turn.

Travers and Marston were seven of the nine holes, but Kirkby and Topping were five.

Seven of the nine holes were halved, Kirkby gaining victories on the fourth and ninth.

Having turned for home 2 down, Travers and Marston decided that better golf was necessary on the inward journey. Golf was not to be had, however, for the thirteenth, and Travers squared the match by putting his tee shot on the little sixteenth within a yard of the hole and running down the little putt for his 2. Kirkby and Topping both played the fourteenth badly, losing it, and also decided the eighteenth. The two slips of them 2 down on the round. The cards:

MORNING ROUND

Travers and Marston, 1 4 4 5 4 5 3—58

Kirkby and Topping, 1 4 4 5 4 4—58

Travers and Marston, 1 4 4 2 5 5 2—55—73

Kirkby and Topping, 1 4 4 5 4 3—58—73

Topping occupied the eighteenth shortly after the second round began by winning the fourth and eighth holes and saving the day. His halves were finished, and the ninth Kirkby was the only one to get a 4, which put his side one hole ahead at the turn. The lead lasted until the twelfth, where Travers played a fine chip shot and got down in one putt. Topping taking three and throwing away a chance to keep the lead. Marston came through on the next green with a thirty foot putt for 4 and his side ones more ahead.

The margin remained 1 up until the seventeenth and there, after every one was on the green in 2 and was counting on a sun, Travers ran down his real Travers putt and brought the match to end. The cards:
